25X1 4. [] Met with Mr. Ralph Preston, House Appropriations Committee staff, and discussed with him, in general, Committee briefings and Committee handling of Agency affairs. See Memorandum for the Record.

I briefed Mr. Preston on fuel stocks and supplies in Phnom Penh.

25X1 25X1 25X1 5. [] After checking with [] [] Africa Division, I told Mr. Gil LeKander, Administrative Assistant to Representative Frank Bow (R., Ohio), that John [] a medical missionary working in Rhodesia, was known to a brother of one of our employees; appears to have a fine reputation; and to have been doing good work in Rhodesia. Mr. LeKander was most appreciative and noted that he had struck out in all other attempts about town including the Bureau and the Department of State.

25X1 25X1 25X1 6. [] Received a call from Mr. J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, who told me the Committee would like to interview []

25X1 7. [] In response to his request, met with Ed Braswell, Chief of Staff, Senate Armed Services Committee, who said he would appreciate, for his own background information, info on a subject that might be quite sensitive--namely, whether either we or the Soviets had developed any capability for detecting submerged submarines by satellites. I said I was aware of no recent breakthrough on this matter but would check and advise.

Braswell said there had been no decision about handling Agency matters by our Subcommittee, but he rather assumed that our Armed Services Subcommittee would meet separately from our Senate Appropriations Subcommittee.
